

Jan Błaż

3D Modeler & Product Designer • Front-end Developer • IT

Warsaw, Poland | +48 697 655 050 | jmtentertainment777@gmail.com | [LinkedIn](#) | [Portfolio](#) | [GitHub](#)

PROFESSIONAL SUMMARY

3D modeler and product designer with commercial experience building game-ready assets and functional, 3D-printed automotive parts. Skilled across Blender, 3ds Max, Maya, SolidWorks, Fusion 360 and Rhino 3D, with a solid Front-end Development base (web, IT, cybersecurity) and several years of B2B sales and marketing experience. Seeking a part-time role in 3D/product design or IT alongside full-time studies; open to internships.

PROFESSIONAL EXPERIENCE

3D Designer (Freelance) 2023 – Present

Self-employed — Remote

- Design and produce game-ready 3D models, including ~10 car models for racing titles such as Assetto Corsa.
- Design and 3D-print 10+ functional automotive parts; one is currently being reproduced in glass fibre for production.
- Build technical CAD models for automotive use and abstract 3D assets for games and bespoke client projects.
- Deliver commercial 3D work end-to-end, from concept to final model or print.

Sales & Marketing Assistant 2023 – Mar 2026

Independent Traders & Consultants — Warsaw, Poland

- Introduced 20+ foreign suppliers and brands to the Polish and CEE markets.
- Organised 4 industry trade fairs in Poland and coordinated B2B meetings.
- Conducted market research to identify new opportunities and partners.
- Provided day-to-day IT support to the team.

Junior Marketing Assistant 2020 – 2023

Biotop-Service Sp. z o.o. — Warsaw, Poland

- Monitored and maintained marketing and customer databases.
- Acquired new clients and business partners.
- Organised business meetings and trips.
- Provided IT support across the team.

Sales Specialist (Cold Lead) 2019 – 2020

SentiOne — Poland

- Generated and qualified cold leads and ran outreach to prospective clients.

Work & Travel Programme 2019

Tokyo, Japan — Japan

- Gained international work experience and cross-cultural communication skills.

Door-to-Door Sales Representative 2018 – 2019

Energy Match — Poland

- Carried out direct door-to-door sales and client acquisition.
