

Jan Błaż

Front-end Developer • IT Support • 3D CAD Designer

Warsaw, Poland | +48 697 655 050 | jmentertainment777@gmail.com | [LinkedIn](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

IT student specialising in Front-end Development, combining hands-on technical skills with several years of experience in sales, marketing and B2B development across international markets. Comfortable with HTML, C#, Python and SQL as well as CAD/3D design, with a strong interest in programming, cybersecurity and databases. Seeking a part-time role to grow within IT alongside full-time studies; open to internships.
